### Message from Carolyn Farrell, President of WSWU

WSWU has officially begun a membership drive in the effort to welcome 100 new members by the end of 2015. We are off to a great start, but we need your help! And there are so many ways you can help. Comb your address book and bring a friend to a lecture as a guest. Have a gathering where you can let a group of friends know about our wonderful scholars, lectures, student funding projects and the network of amazing women who make the Women's Society such a rewarding experience. Look for our Membership Drive table at the February 19th lecture. There is even a prize in it for the most new members recruited!

With Warm Wishes,

A handwritten signature in blue ink that reads "Carolyn".

## Lecture Me!

[Our next lecture is February 19th at 10:00 - 11:00 am with a reception at 9:30 am.](#) The lecture is titled “The Sexual Assault Crisis on America’s College Campuses” with the Assistant Dean, College of Arts & Sciences, Jami L. Ake, PhD. Please bring a guest you think would enjoy the continuing education offered in our diverse lecture series. And don’t forget to stop by our Membership Drive table where your guest can join WSWU.

## Fun with Funding

Our Funding committee has a wonderful time learning about all of the student-run projects and activities on campus and thinking about how WSWU can help support these bright, motivated young people. One of these amazing projects is currently happening in Africa at the Mekelle School for the Blind. Engineering students are working with mentors to help mitigate the incidence of flooding on the campus.

As members, you are helping to support funding these student activities. Please consider attending some of these fun-filled and educational events in St. Louis coming up like the African Film Festival—March 27-29 or the Annual Take Steps for Kids 5K run on March 21st. Please [click here](#) to see the complete listing of our funded events.
